The 2014 Action Plan identifies how the CDBG federal funds will be utilized to develop viable communities by providing decent housing, a suitable living environment, and opportunities to expand economic opportunities, principally for low to moderate income persons. Citizen input regarding the use of federal funds received annually from the U.S. Department of Housing and Urban Development (HUD) is vital; therefore, the following schedule for Public Hearings and Public Comment period is in force. The goal of the CDBG Citizen Participation Plan is to provide citizens of the community where CDBG-funded activities will take place an opportunity to participate in an advisory role in the planning, implementation, and assessment of the programs and projects.
