

October 30, 2014

Dear Citizen,

Thank you for attending the Public Information Meeting for the City of Johns Creek, for **P.I. No. 0012788 – SR120 / Abbotts Bridge Road Operational Improvements from Parson Rd (west) to Medlock Bridge Rd.** Together with the Georgia Department of Transportation, we are working hard to accomplish our goals of making the traffic flow operate more smoothly and with less congestion within and around the city for you.

As you enter the room, you will notice displays of the proposed project. Representatives from the City of Johns Creek, Georgia Department of Transportation and Wolverton consulting firm, who can be identified by name tags, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with these representatives. There will be no formal presentation.

You may also complete a comment card and deposit it into the box provided here, or send in written comments about the project until November 13, 2014. Written or email comments should be sent to:

Tom Black, Director of Public Works
Attn.: Cindy Jenkins, P.E.
City of Johns Creek
12000 Findley Rd., Ste. 400
Johns Creek, GA 30097
Email: info@johnscreekgov.com

We hope you will take advantage of one of these opportunities to let us know your view of the project. The displays will be available for review after the public information open house on the City's website at http://www.johnscreekgov.com/news2014/2014-10-23_abbotts-openhouse.aspx or the City of Johns Creek, located at City Hall, 12000 Findley Rd., Ste. 400, Johns Creek, GA 30097.

Again, thank you for attending this public information open house and for giving us your comments. If you should have any questions or need additional information, feel free to contact the City of Johns Creek's Project Manager, Cindy Jenkins at (678) 512-3269.

Sincerely,

Tom Black.
City of Johns Creek
Director of Public Works
