SUBMITTAL REQUIREMENTS

- Submit complete sets of updated and revised architectural and/or site plans, as required, with clearly marked revision date(s).
 - Commercial – 4 (four) sets
 - Residential – 3 (three) sets
- Mark each revision or correction on the plans within a "cloud," and label it with a revision number and a brief explanation. List the revisions and revision date on the title page in the legend. For example:

On plan sheet:  Change floor framing to TJIs Cloud area revised

In title page legend: REVISION 2/21/21
 Rev. #1 – safety glass
 Rev. #2 – add smoke detector
 Rev. #3 –change floor framing to TJIs
- All sheets in plan sets must be the same size (minimum 11'x17").
- Bind all plans and document sets along left edge. Use a binding edge, and roll larger sheets.

CERTIFICATION

I certify that I have read and examined this application and know the same to be true and correct. I understand that the permit issued is only for construction as stated, and that the occupancy of the structure is not permissible until all requirements are met and a Certificate of Occupancy has been issued by the City of Johns Creek. The permit is granted on the express condition that the said construction shall, in all respects, conform to the ordinances and laws of the City of Johns Creek, Georgia, including the zoning ordinance, regulating the construction and use of buildings, and may be revoked at any time upon violation of any provisions of said ordinances. Construction will begin no later than 180 days from issue date of the permit. All required plans, specifications, contractor state licensure, and business licenses must be submitted with the completed application. If any information is found to be false or misrepresented, the permit will be deemed invalid. I agree to indemnify and hold harmless the City of Johns Creek from all damages, demands, or expenses of every character which may in any manner be caused by construction and/or the structure.
