I certify to the Chief Building Official of City of Johns Creek, that the sewer installation is installed in compliance with the International Plumbing Code as adopted by the State of Georgia.

I hereby assume all responsibility and liability for the installation of the building sewer at the above captioned address. I understand that it is my responsibility to ensure that the sewer line installed is in accordance with the current edition of the International Plumbing Code, with all revisions, adopted by the State of Georgia. I indemnify and release the City of Johns Creek and its inspectors from any and all liability for damages and loss of property for the building sewer not being installed in accordance with the current edition of the International Plumbing Code adopted by the State of Georgia.
