Re: 5805 State Bridge Rd (RZ-21-007)
Request to Defer for 30 Days

Dear Ruchi:

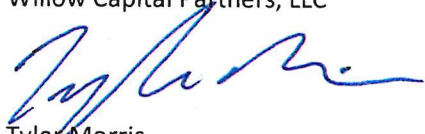

Please accept this letter as a formal request to defer the Zoning Case No. RZ-21-007 from the November 3, 2021 Planning Commission to the December 7, 2021 Planning Commission meeting agenda.

We have encountered some unexpected delay in obtaining the requested consent letters and needed to make some additional revisions to the site plan based on city provided comments.

Thank you and please let me know if any questions.

Sincerely,
