Attention  
Ruchi Agarwal,  
City Of Johns Creek,

Re: Re zoning application 11890 Douglas Road, Johns Creek, GA 30005

Ruchi:

With reference to the above re zoning application RZ-21-006 and based on the Planning Commission hearing on Sept7th,2021 to recommend denial of the proposed re zoning we would like to request a full cycle of deferral towards the re zoning application scheduled for September 27th,2021 City Council meeting.

We are in the process of revising the proposed re zoning request. Our Architect will need additional time to revise the necessary submittals rendering, elevations etc.

Thanks
