Sharon, please accept this as a request, on behalf of Ashton Woods Homes as applicant and the Marlene Crowe Embry Trust as owner, to the city council that they vote to allow withdrawal of the above application at their meeting on January 17. It is clear at this point that the current application is not acceptable to the community and that there is no possibility of a modification to the application which would be acceptable to the community, owner and applicant. Therefore, we believe that a vote to allow withdrawal, in accordance with section 28.2.3 of the ordinance is appropriate. Please let me know if you or others have questions.
