

Jones Bridge Road Widening

From Sargent Road to McGinnis Ferry Road

PROJECT OVERVIEW

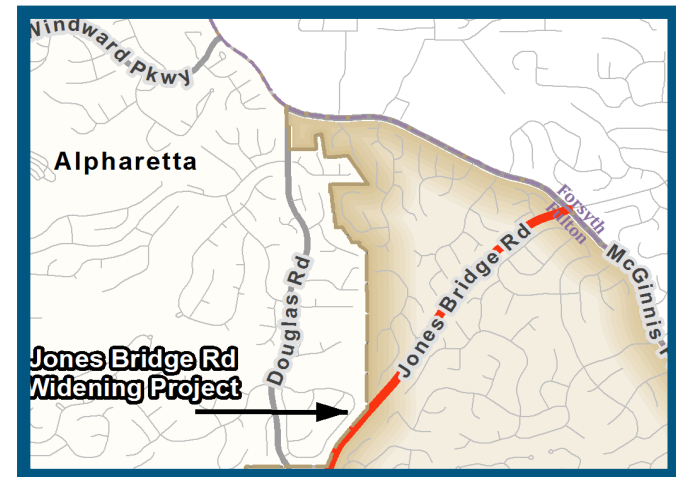

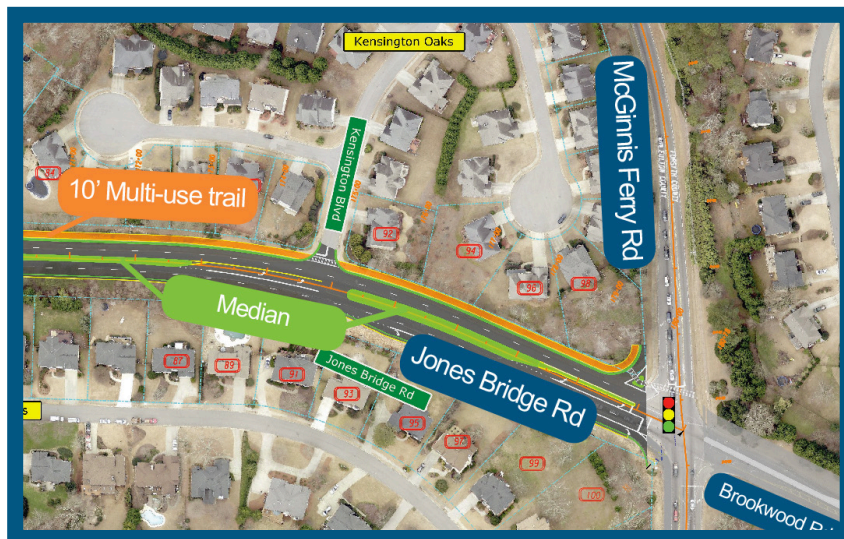

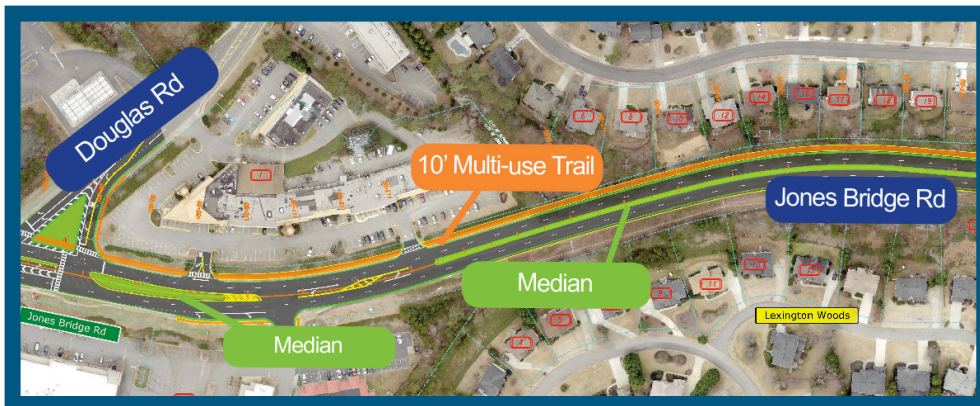

The project includes widening the 1.5 miles of existing roadway from two to four lanes from Sargent Road to McGinnis Ferry Road.

PROJECT TIMELINE

This project is a Tier 1 project on the TSPLOST list. Construction timeline is to be determined.

KEY POINTS

- Road widening from two to four lanes from Sargent Road to McGinnis Ferry Road
- Addition of landscaped median
- 10-foot multiuser trail on the west side of road
- Operational improvements to intersections, including turn lanes, revised traffic signals and reconfiguration of existing pavement to add two through lanes
