**RE: Variance Application - 10645 Stonefield Way  
Letter of Support**

Dear Ms. Agarwal:

I am signing this letter in support of Ray Johnston's application for a variance to place a pavilion on his property located at 10645 Stonefield Way within the 35-foot set back at the rear of his property. I am an adjacent property owner, and my home is located at:

10655 Stonefield Landing  
~~10645 Stonefield Way~~ Duluth, GA. 30097

I do not believe approval of Mr. Johnston's variance application to build a pavilion, as approved by our Homeowners' Association, will negatively impact my property or property interests.

\* My property is directly behind Mr. Johnston's property and would be most affected by the pavillion. I see no reason for the pavillion to not be built.
